

**300PSI Y-Strainer**

As the professional manufacture, we would like to provide you Hispeed® 300PSI Y-Strainer. We supply 300PSI Y-Strainer. The Y-Strainers are low friction loss Y-Strainers designed for use in fire protection systems. The Y-Strainers are designed for installation in the water supply connection to sprinkler, deluge, foam systems, or standpipe fire protection systems. The Y-Strainer features a Class 125 flange, flat face end connection for easy installation and accessibility.

We are expecting to become your long term partner in China.

**Product Description**

As a professional high quality Hispeed® 300PSI Y-Strainer manufacture, you can rest assured to buy 300PSI Y-Strainer from our factory and we will offer you the best after-sale service and timely delivery. Rich experience QA can help you audit the factory or check the goods quality before shipping.
