

Standard Response Sprinklers

We supply Standard Response Sprinklers. The HISPEED® Standard Response Fire sprinklers are built with the designer and installer in mind, helping you protect lives and preserve property in even the most challenging situations. The HISPEED® standard response sprinklers are ideal for protecting ordinary and extra hazard applications such as parking garages, restaurant service areas, manufacturing facilities, and mills to control the

spread of fire. The HISPEED® standard response sprinkler systems are designed to suppress and limit the spread of fire by wetting the area surrounding a flame to remove a fire's fuel source. We are expecting to become your long term partner in China.
